Nigeria National Anthem

I

Nigeria, we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood we stand
Nigerians all,
Are proud to serve our sovereign Motherland.

II

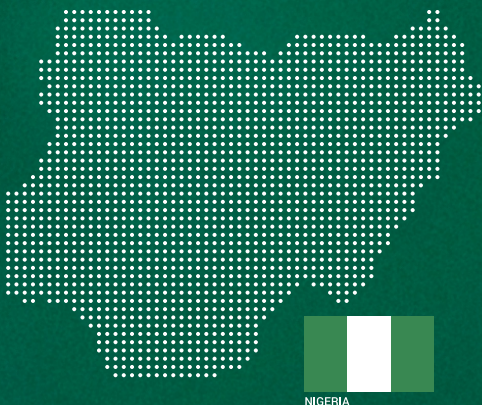

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honoured,
And this we count as gain,
To hand on to our children
A banner without stain.

III

O God of all creation,
Grant this our one request:
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

Nigeria National Pledge

I pledge to Nigeria, my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity and uphold her honour
and glory
So help me, God

ABOUT NACCIMA

The Nigerian Association of Chambers of Commerce, Industry, Mines and Agriculture (NACCIMA) is the foremost body of the organized private sector in Nigeria. Since its establishment in 1960, NACCIMA has served as the unifying voice of Nigerian business, bringing together city, state, sectoral and bilateral chambers of commerce, as well as corporate members, to create a nationwide network that spans every region and key sector of the Nigerian economy.

NACCIMA has branches and operations spread across over seventy (70) locations in Nigeria, including in all state's capitals, Abuja and in major cities. Through this extensive reach, NACCIMA speaks not just for large corporations, but also for the millions of Micro, Small and Medium Enterprises (MSME's) that form the backbone of Nigeria's economy.

At the heart of NACCIMA's mission is advocacy and influence. We maintain a strategic presence at the highest levels of government and policy-making, consistently engaging on issues that affect the ease of doing business, taxation, trade policy, infrastructure, access to finance, and investment climate reforms. NACCIMA also plays a critical role beyond Nigeria's borders, leveraging its membership in the Federation of West African Chambers of Commerce and Industry (FEWACCI), the Pan African Chamber of Commerce and Industry (PACCI), and the International Chambers of Commerce (ICC) to create vast business opportunities.

In addition to advocacy, NACCIMA drives programs in trade promotion, capacity building, innovation, and investment facilitation, all designed to strengthen Nigerian businesses and create pathways for international investors. We organize trade missions, business forums, investment summits, and sector-focused platforms that connect Nigerian enterprises with global partners.

NACCIMA is a strategic platform for influence, partnerships, and growth. Through its MoUs, role in Business Councils, and advocacy influence, NACCIMA opens doors to markets, reduces business risks, and ensures that Nigeria's investment environment evolves in line with global best practices.

NACCIMA is not only shaping Nigeria's economic agenda—it is also ensuring that investors find a reliable, credible, and influential partner in Nigeria's private sector.

NACCIMA YOUTH ENTREPRENEURS (NYE) was established to serve as a platform for empowering young Nigerians by providing them with opportunities to actively participate in economic activities and contribute to the sustainable development of the nation. Its establishment reflects NACCIMA's strong commitment to investing in the economic future of Nigeria through youth inclusion, skills acquisition, and entrepreneurship development.

The objectives of the Council include the following:

Educate and train youth in business, vocational training and entrepreneurial knowledge and skills.

Facilitate youth employment for active participation in National Development.

Support and encourage active youth participation in the process of development of policies and programmes pertaining to doing business in Nigeria.

Facilitate the socio-economic and cultural development of youths in the country.

Facilitate youth networking and exchange at National and International Levels.

Promote networking with other National youth bodies and youth organizations abroad with similar objectives

WCCIMA

The Women Chamber of Commerce Industry Mines and Agriculture (WCCIMA) was established by NACCIMA to cater to the corporate needs of women in business.

Membership of WCCIMA cuts across the 36 States and the FCT in the country, and also the West Africa sub region. In Nigeria, every State has a WCCIMA team headed by a State Coordinator and her Executive Officers.

It is open to all women in business and those planning to go into business.

WCCIMA mandate includes but is not limited to:

- Identifying viable businesses for women.
- Providing access to market opportunities.
- Facilitating and ensuring participation of women in commerce, leadership and governance.
- Capacity building and access to business information and data.
- Showcasing and advancing products and services of members.
- Organizing networking programs and business linkages.

WCCIMA has coordinated as well as participated in various enterprenual activities in Nigeria, one of the latest being the 1st ECOWAS Business Summit in Ghana, and the Joint Tradefair with the Republic of Benin. Hitherto it had operated as NACCIMA Women Organisation (Naworg) before its registered incorporation

NACCIMA GLOBAL

is aimed at establishing NACCIMA Trade Centres in the global markets. They would serve as investment hubs while providing access to critical markets for Nigeria Businesses and the Diaspora; fostering bilateral and corporate linkages.

In addition, the global credibility and visibility of NACCIMA would enhance brand reputation, greater market access, awareness and advocacy for policies that support and enhance international trade. NACCIMA GLOBAL promises to be the nexus that will connect Nigeria to the world.
